What are Big Ten Libraries doing with open publishing?

pursuing a multi-faceted open scholarship strategy

Balancing the journal marketplace ♦ Opening the scholarly monograph
Strengthening academy-owned infrastructure ♦ Elevating marginalized and unheard voices

opening content with commercial publishers

Immediately open & available to the public

Authors keep their rights ♦ No fees to publish, no caps, no limits

CAMBRIDGE
UNIVERSITY PRESS

supporting “alternative” publishing business models

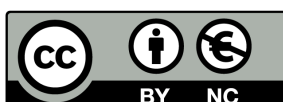

“Diamond Open Access” and other no-fee models

developing and hosting open publishing platforms

supporting the global development of open infrastructure

Where are we going?

Guiding Star for the Libraries of the Big Ten

In order to advance a
just, trustworthy, scalable, and sustainable
open knowledge ecosystem,
make **open, more equitable scholarship**
our lead purpose

Our purpose today

Faculty lead in this space -

In the libraries, we do a lot in supporting, advocating, advancing

Today we have convened two panels,
to pause and bring faculty voices into the room

Two faculty panels this morning
